

Direct Fit Catalytic Converter Limited Warranty – US EPA Product

This warrants that the catalyst in Davico Catalytic Converters are free from defects in materials and workmanship which may cause such catalyst to fail to conform with reduction requirements specified by the U.S. Environmental Protection Agency for a period of 25,000 miles from the date of installation. In addition, the external shell, including pipes, flex sections and flanges shall be free from defects to materials and workmanship for a period of 5 years or 50,000 miles from the date of installation, whichever comes first.

This warranty is conditional upon the Converter being installed properly on the vehicle for which it was designed and cataloged for and that said vehicle is in proper operating condition according to original specifications.

This warranty does not cover Converters that have been damaged by accidents, road debris or damaged caused by a faulty or malfunctioning engine management system.
