

# Catalytic Converter Limited Warranty

## To be retained by vehicle owner

This warrants that the catalyst in this Catalytic Converter is free from defects in material and workmanship which may cause such catalyst to fail to conform with reduction requirements specified by the U.S. Environmental Protection Agency for a period of 25,000 miles from the date of installation. In addition the external shell, including pipes and flanges shall be free from defects to materials and workmanship for a period of 5 years or 50,000 miles from the date of installation, whichever comes first.

This warranty is conditional upon the Converter being installed properly on the vehicle for which it was designed and cataloged and that said vehicle is in proper operating condition according to original specifications.

This warranty does not cover Converters that have been damaged by accidents, road debris or damaged caused by a faulty or malfunctioning engine management system.

### Installer Record

Catalytic Converters are emissions control devices which are designed to last the life of the vehicle and do not normally require replacement. Furthermore, if the vehicle is properly used and maintained, original Converters are covered by the emissions control warranty for 8 years or 80,000 miles by the vehicle manufacturer

Federal law prohibits repair business from replacing these devices except under limited circumstances. In order to verify that proper circumstances exist, the owner of the vehicle on which such repairs are made and a facility representative must sign the following statement.
