## 14402

### Various Ford Truck Applications

- Subject:** Part appears different from original.
- Model(s):** Bronco, F150, F250 & F350
- Year:** 1987-1994
- Condition:** Converter Body's Consolidated – Air Tube Placement
- Update:** Part number 14402 may appear to be different from the original design but has been updated to work on various vehicle platforms. The front assembly has been replaced with a higher efficiency rear Converter Body and the Air-Tube has been placed to accommodate most popular applications.
- Additional Help:** Available from Davico Technical Assistance at 800-422-6046
