

Your Source For Hard-to-Find Catalytic Converters

Never Lose a Sale Again!

Davico Manufacturing's first to market
prototype service 2023.

**With our first to market prototype service we can take an original
equipment converter and replicate a new unit within a matter of days,
at the fraction of the cost of an O.E. catalytic converter.**

"Never Lose a Sale Again!"

Your Source For Hard-to-Find Catalytic Converters

Davico's First to Market Prototype Service

Thank you for your interest in our First to Market Prototype Service. With your help we can make sure that you never say "No" to a sale again. COMPLETE & ACCURATE vehicle information is CRITICAL to the Proto-typing process. Please verify and enter ALL of the vehicle information requested including a digital picture of the emissions ID tag. Missing, incomplete or inaccurate data will delay and possibly void the process.

A digital picture of the emissions ID tag must be included or emailed to: contactdavico@davicomfg.com

Model Year:		Date of Production:	
Make:		Model:	
Sub-Model:		Engine Cylinders	
Engine Displacement		Engine Family Code:	
Emissions System		Engine Aspiration	
Trans Type:		Drive Type:	
Trans Speed:		Body Type:	
Wheel Base:		Position:	

17 Digit VIN Number: Verify and Decode your VIN using this free VIN decoder: www.decodethis.com

By signing or submitting this information to Davico Inc., you are releasing the Original Equipment Catalytic Converter from the above vehicle. Once received the part will become property of Davico Inc., and will not be returned under any circumstances. All Prototypes must be scheduled but final Prototype dates will not be ensured until after this paperwork has been received by Davico Inc.

All O.E. parts must be complete, unaltered and include all old gaskets.

All Manifold Converters must be received with ALL Heat Shields attached.

For more information regarding this service please contact Customer Service at 800-422-6046.

I hereby certify that all of the information contained on this form is accurate and I release the Original Equipment part to Davico Inc.
