## WELCOME TO DAVICO MANUFACTURING

Established in 1987, Davico produces more than 4,000 part numbers of Exact-Fit, Universal & Dealer Alternative Catalytic Converters supplying some of the finest Warehouse Distributors in the country. Please visit our website: [www.davicomfg.com](http://www.davicomfg.com), to see our full line of high quality products, all made in house here in the USA in New Bedford, Massachusetts. Please feel free to request a Customer Login at [contactdavico@davicomfg.com](mailto:contactdavico@davicomfg.com). With this access you will be able to use all of the tools there including: Our Online Catalog (updated weekly), Digital Product Photos, Interchanges, Product Availability & Buyers Guide.

With your Login ID you will also be able to see your Confidential Pricing & be able to use our Online Ordering.

With the widest Catalytic Converter coverage in the industry, Davico continues to be the Go-To-Place for hard to find & late model Catalytic Converters. We also offer a "First to Market Prototype Service" to help capture sales that normally go back to the dealer. Set your business apart from your competition by offering this valuable service. This process allows you to send us the Original Equipment Catalytic Converter which we will replace in a matter of days at a fraction of the cost of an O.E. Converter. For more information on this service or for any technical questions please call Customer Service at **800-422-6046**.

---

*"Our family has been in the exhaust industry for over 60 years. We work hard everyday to earn and keep your business. Catalytic Converters and new technologies is our primary focus. Our Technical Service department can help you with cataloging questions, help in determining the correct Converter for your application, basic trouble shooting assistance, help with Dealer Alternative options for high mileage vehicles and to schedule a prototype service. We also provide advanced Technical Training for our customers and installers. This Technical Training can be customized for you to best achieve increased sales, lower warranty rates and increased customer loyalty" — Owner, Ray Surprenant.*
